

EDGERTON GIRLS BASKETBALL WINTER PRACTICES

Girls that are interested in learning the fundamentals of basketball are invited to Winter Basketball Practices. Girls must be currently in grades 4th through 6th from Edgerton or St. Mary's Elementary.

The practices will include the development of basic basketball skills: shooting, dribbling, passing, and defense.

The girls will also get the understanding of the basics of the Lady Bulldog Basketball Program, as well as the offensive and defensive philosophy.

Girls interested in participating must bring the attached registration form with them to their first day of practice or they will NOT be permitted to participate.

There is no cost for the practice sessions. We want any girl that wants to improve their skills and knowledge of the game of basketball.

There will be two dates that the girls will be able to play during the halftime of the Edgerton Girls Basketball Junior Varsity and Varsity Games.

We look forward to working with the future of the Girls Basketball program.

Letter to Parents/Guardians on back.

Dear Parents/Guardians,

The future of the Lady Bulldog Basketball Program is bright. My name is Nathan Davis and I am the Head Coach of the Edgerton Girls Basketball Program. First, I just want to thank you for showing interest in the Edgerton Girls Basketball Program. For any program to be successful, the program needs to invest into the youth. The Edgerton Girls Basketball Winter Practice Sessions will be the start of the new beginning of the program. I want to deliver a fun, exciting, and successful basketball program to the girls of the Edgerton Local Schools.

What to expect from the Winter Practice Sessions:

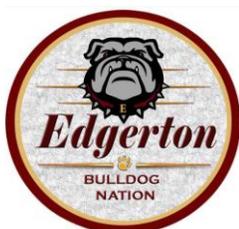

- 1. Girls will learn how to shoot the basketball.**
- 2. Girls will learn how to dribble the basketball.**
- 3. Girls will learn how to pass the basketball.**
- 4. Girls will learn how to play defense.**
- 5. Girls will be introduced to the offense and defense of the Edgerton Lady Bulldog Basketball Program.**
- 6. The practice sessions will provide each girl the basics to be successful in the game of basketball.**
- 7. The practice sessions will provide guidance for the girls a chance to show off what they learn at two Varsity and Junior Varsity Girls High School Basketball games during halftime.**

The practice sessions are free of charge. We would like girls to show up at every practice, but it is not mandatory. We are giving the chance for girls to improve their game of basketball. If the girls want to play during the halftime of the HS games, they must attend a practice. If school cancels on the day of practice or halftime games, the practice and halftime games will also be cancelled. The Edgerton Girls' Basketball Staff will expect the girls to have a great attitude, be respectful of fellow players, work hard, improve, and have lots of fun.

Let us as a program take **ACTION NOW** and let us be **better today than what we were yesterday.**

Future is Bright,

**Nathan Davis
